

(Yes, ma'm. Al Spencer -- does he have a head stone up there?)

I believe so.

BURIAL PLACE FOR AL SPENCE, AN OUTLAW - OTHER OUTLAWS

(I will look for it. If I understood right, in that -- is the Verdigris River valley and Big Creek country up there, it seems as if it's been a hide out for outlaws -- .)

Well, the place, I don't know exactly where it is, but it's north. It's been north of Childers. They call it Blue Cayon. It's really rough country up in there, and that's where they really hid out. Of course, those big places, they would have -- know for being pretty rough. I've heard my dad tell lot of things happen there, murders, killings, and just meant, nothing. And Bob Rogers was -- I guess he was buried in Balls Cemetery too. He was an outlaw and Anti Horse Thief Association killed him.

(I never heard about that Anti-Horse Thief Association. My grand-dad was one of their members.)

Unidentified voice: No, he's buried over at Morrison.

Mr. Boyd: He may be. He buried there some -- his family's old home's there on that -- They still call that Rogers Mound where his family was. I've heard my dad tell about the way they caught him and all that.

(If I remember, Archie told me something about Cole Younger. And that he was buried somewhere close to Nowata, that he remembered seeing his stone, and maybe you remember that --.)

He may be because this old fellow I was telling you about being old man name was Thompson, when I was a kid, he told me that Younger boys, and the Dalton boys, and Henry and Bell Starr -- that he put 'em across the Creek so much that he was acquainted with them. He called them with a first name. Of course, that's been -- oh, I guess a hundred years ago, ago
