

watchman again. He said, "I'm gonna beat you to death yet!" So Setestus this night watchman, just took his gun and shot him--right over the heart. He could of shot him in the leg or somewhere, but I guess he thought it was his last chance--last resort. But that's from this paint spray sniffing.

(Is there very much of that?)

Oh, yeah. It's mostly girls.

(What age of girls?)

Oh, say from sixteen on up to twenty-eight or thirty year old woman, drinks that. It's awful.
