

They punish her. Her and I just like cats and dogs. I'd been fighting her all the time. When I see her coming I just like a cat. My hair stand up. I never see her after I come back from school. She's half white lady-half white and Cherokee.

(How did you feel about girls from different tribes?)

I don't like em. I just don't like em. I don't like the girls. When I first got there...I had my sister there. She stayed there with me til I got used to it. Then she went home.

(What were some of the holidays you had while there?) Christmas, Easter, Thanksgiving.

(What did you do at Christmas?)

We'd come home.

(How did you celebrate Christmas?)

I'd go to church. I'd get my gifts at Muskogee before I leave. We had Christmas there too. Oh, like at home. We give Christmas presents to one another at home.

(Did you ever give gifts to the teacher?)

Uh-hum. I gave two boxes of combs and a towel. It was my history teacher.

(How did you celebrate Easter?)

Eggs..Hid them around campus..big campus. We;d go round hunting eggs.

(What time were you to be in your room at night?)

By nine o'clock.

(Did everybody have a specific time to be up in the morning?)

Yea when the matron comes to the door and knocks we all get up.

(Did you ever have morning and nightly room check?)

Um-hum. I get punished for it if I'm not in my room.

(Where would you be if you weren't in your own room?)
