

He married Ada McClelland from Haysville, Arkansas. And Charley McClelland from Haysville, Arkansas married Jenny Foreman. And they-- and the McClellands were double first cousins.

(I understand how that works. Well, I was going to ask you while ago. You was talking about your grandparents. They were living in Kansas at one time in the early days?)

My grandmother. Yes. The Delawares all were. That's where they were. Then they decreed that the Cherokees and they made so much blame to the president. They had the same privileges that they come to when they moved down with the Cherokees.

(Did you ever hear them say what part of Kansas or near what town that they were living?)

Yeah, Leavensworth.

(Around Leavensworth.)

Close to Leavensworth. It's in that part. And Pratt, Kansas. Now that's Pratt. As I say, one of the Journeycake's really married a Pratt. As I say, she had these three daughters. One of 'em was the one that came to Bartlesville and married /name not clear/. One of 'em married a /not clear/.

(When the Delawares came down here, they did have a separate tract of land that the tribe bought did they from the Cherokees?)

Well, they just bought it and they could go in if they want to.

(But most of 'em settle along up there.)

Up in here.

(Around Nowata and that country.)

From Nowata up to the Kansas line. But mama said grandpa just kept-- And they was old. He was old as our daddy. In our neighborhood.

They'd went to school there. All the thers were up around Nowata, Alluwe, Bartlesville. And up in the northern part of--

(Do you remember anything of a little place called Wiganon?)

Yes. Wiganon.
