

(Well, I like to do something different. Now, that is beautiful.)

It's not finish either.

(Yeah, there is a lot of stories to that. A person could dwell along that for quite a while.)

I thought I would finish that and enter this in the Art Festival, they are gonna hold here.

(That is wonderful. How would you, looking at it from the Indian side, interpret that painting?)

Well, it seems like the Spirit, the Great Spirit has shined more on the Caucasian.

(Yeah.)

Well, he wants the same thing too.

(That's right.)

No more and no less. So that all I try to depict.

(Well, I believe you certainly got the feeling and atmosphere there.

To put the idea across.)

There and the heart, is suppose to represent the great spirit.

(Yes)

Perfect heart.

(Ah-hum. Does the hand there also represent the protected quality of the Great Spirit, too?)

The hand? You mean the bottom hand.

(No, the upper hand.)

The other hand, seem to, seem to point out the way.

(Oh yes, Ah-huh.)

Knowledge.

(Yeah! And then the lower hand there that -- )
