

it will never get done.)

And that's ah --

(And to many of 'em are disappearing. You know, so many old Indians country schools, that's gone. Now, and no-one left any history about them or the children that went there. Or any of the teachers, families.)

You go down this county road, and I'll show you the general area of another one that is called Chishlom Cemetery.

(Old Chishlom!)

Yeah.

HOW BROKEN ARROW GOT ITS NAME

(By the way Mr. Ha nie how did Broken Arrow gets it's name? Why was it call Broken Arrow?)

Well, my grandfather, everybody, got their own interpretation of Broken Arrow. My grandfather, I got it their at the house.

(Ah-huh)

My grandfather says, that whenever the, all these towns belong to one see, like Coweta, Eufaula, Tallahassee, Okmulgee, Okfuskee, and well, Coweta was the strongest town. That's where they live, all the royal Chiefs councilman when everything came about. All right, according to his saying, interpretation, well, I'll show it to you when I get back home, I think I can, now I don't know. But I, he said well, anything that is thawed like that, you know. And the means "bullet," and Kache means "throw", like that, you know.

(Yes)

So it be scattering of the arrows, or and the way white people interpreted they say Broken Arrow.

(Yeah)
