

wife--Saul Birdshead's wife. That was his daughter.

(Who, Sitting Bull's daughter?)

This one. Yeah. Traveller's.

(Did they have any others?)

They had another girl--the oldest girl--I don't know what her name was. And then they had twin boys--Fred Sitting Bull. But the other twin was dead before it have a name. And then comes Jimmy Warden--that's his mother.

(Let's see--one of them died before it had a name?)

Yeah.

(And the other one's name was Fred?)

Fred, yeah.

(And then the other one was Jimmy Warden's mother?)

This was Jimmy Warden. Traveller was his mother but I don't know who--his father's name was Cleaver Warden.

(Then Traveller was the mother of Jim Warden. And was Traveller married to Cleaver Warden?)

Yeah. He lived with her.

(Was this before she was married to Sitting Bull?)

Yeah. No--after she was married to Sitting Bull. Cleaver Warden. And that's the only child she had from this man--Jimmy Warden.

(Going back to Traveller's children by Sitting Bull, this one named Susie, is that Saul's mother?)

Well, she's got some kids from Saul Birdshead. Her husband is Saul Birdshead.

(Oh. Susie's husband is Saul Birdshead. Now he's also known as Armstrong Spotted Horse, too, isn't he?)

Yeah, yeah.

(Do they have any children--Susie and Saul?)
