

She was married to Henry Dawes before she married Armstrong.

(Is he Arapaho?)

Yeah. And they had a boy. Steve Dawes. And then the daughter was Laurenda. That's the two they had. And then Armstrong--

(Do they have any children?)

Yes. They've got Junior--Junior Birdshead. And Jennie. And Donna May. And then they got one girl they call Sue. And then they got another girl, Ethelline. And they got another boy, Freddie. That's all I know.

(I don't know how I missed all of these when I was getting it. What about--going back to the children of Sitting Bull and Traveller--this was Susie, and then you said there was an older girl you didn't know her name--would you know if she had any kids?)

No--she died young.

(Then how about of the twin boys--did Fred ever marry and have children?)

Yeah, he married Inez--used to be Inez Meeks.

(Is she Arapaho?)

Arapaho.

(Did they have any kids?)

Yeah, they had some. They got a boy, Junior. And then they got a boy, Edwin Dean. And then Ardena..

(A girl?)

Yeah. And before he married this Inez, he was married to Annie. There was a woman named Annie--Annie Friday. And they had a daughter--Ruth Sitting Bull.

(Did they have any other children besides her?)

No.

(Is Annie Friday Arapaho?)

Yeah. And this Inez, she was married to Harry Beehan, before she married Fred. I always just now think of things.
