

significance of the clown is that he is keeping the evil spirit busy, to keep the Spirit from bothering the dancers. That's the significance of the clown.

(Three minutes of singing.)

(And that is the music and the song of the Apache Fire Dance. (Music and songs again). The Quapaw incidentally have only one dance, that they can really claim as their own. We will record it for you, before too long.

(End of tape. Side B of this tape is blank.)
