

(Do they do it now the same as when you were young?)

Every year the same thing--not eavery year, let's see, I think they had it last summer. I didn't go because I was sick. I gjust stayed. My old man went. I used to go. We used to go just one day. It's too hot to camp for old folks. We went over there and camped one time--too' hot--no trees. It something like up on a hill too, where they have it.
