This management, whatever it is, began in what year?

A 1'm not sure. I wasn't here at the time.

during your ten years?

your ten years!

'A' Yes.

Q But your records don't indicate when the management began?

A I assume that it began as soon as the tracts were purchased, but this land was acquired through individual purchases over a period of several years.

Is it fair to say that at least one of the main purposes of the Bureau in management of that land has been the rehabilitation of the Cherokees living in that area?

A I believe that it was originally set up as a rehabilitation project.

Q And for how long has that rehabilitation program been attempted, into your period of --

A During the period that I am familiar with this land -- I don't know what you really consider rehabilitation, but most of the land that has been used has been used by virtue of a lease from either the Bureau or the tribe to an individual in the particular area.

Q How does this fit into rehabilitation?

Is the money that is received from the lease of these
