

ATTENDANCE BY YOUNG PEOPLE:

(Are there very many young people that go to these meetings today?)

Yes, there's quite a number.

(About how old are people when they first start going to peyote meetings?)

Well, there's some very young that go. Just like any other church. No difference that I can see.

(Do you think there are more today than in the past?)

No, just like I say, about 25% of the population which is about 1800.

And just about 25% of them members of that.

SONGS:

(Are they able to sing the peyote songs?)

Oh, yes. They all sing. You don't have to be a member to sing.

(Where do they learn the-songs?)

Well, just from hearing them. Just verbally, that's all.

(Well, do the Caddo sing them on other occasions other than in peyote meetins? For example, would they sing them at home?)

Yes, uhuh. Can sing them anytime just like you do with ordinary songs. I know a lot of them.

(Could you sing one for us?)

What do you want?

(Just any one. Is there a special song to begin with?)

Yes, there's a special one and here's a song that ends for the dinner song.

(Could you sing those two?)

Sings the two (Beginning song and dinner song.)

(That's pretty.)

Uhuh.
