

Uhuh. Kechai.

(What are the words to it?)

I do not know. I'd have to get an interpretation. I believe you could ask some Wichita what that means.

(Oh yea, that's Wichita, Kechai.)

Uhuh. Kechai, yeah it's Kechai.

(OK, I'll go ahead and play the next one.) (Next song is played in part.)

That's also Kechai.

(Did you say that was another Kechai song?)

Uhuh.

(Do you happen to know what the words to that mean?)

(END OF TAPE.)
