

say, "I ain't going to give my kids advice who to get." Nothing, go by their love, if they love anybody they make them good living, I always said. But them days you don't go by your love, you go by your brother, what he wants.

VOICE: David, Charley's little wife was given to him.

Yeah.

VOICE: You was married like that.

Yeah. That's the way I was, my father give me away and this man give him a horse for me. Which I don't mind the horse, it's my, it must belong to my brother. He give it to my brother.

(Could a man more than, you know, more than two - more than one wife?)

Wel-l-l, of course. Look at Quannah Parker, he's got four wives. Yeah, if you want uh-

(As long as he can afford them, he can have them.)

As long as you, as long as he could have uh- (unclear) for them, right there. For instance, now look at Charley Palmer, sitting right here. Al-right, he's got a wife, uh- I'm his other wife. That's why I come to this Fort just get what I want from here. I don't have to tell his wife what I want. I just let Charley know. Well, Charley's my husband, he's got two wives. He's got my sister - she lives with him all the time. And what spare time I got, I come live with him awhile. And I can never leave my girl back home. ((Laughter))

(I got all that down so ((unclear)) home.)

I was over there, too, the time he was sick, you know. Well, I got to be overe here, I'm one of his wife. I've got to look after him and look after my sister, too. ((Laughter))

OTHER FAMILY RELATIONSHIPS

(Isn't there some way it works that, like the, something like the male
