

My daughter got that. I might lost down here, you know.

(You might lose it.)

She got it. And she send me hundred dollar check I got in here--already got it--come in here, I want to spend it. Person might come in here--I got to have it in my room. Get to spend--and then the Veteran's send 'em to my daughter.

(The Veteran's send to your daughter.)

And I can get it.

(The Veteran's send--)

She got it all the time--ever month. And send me down here, I get it. Mail the check.

(Send it to your daughter, and she sends it to you.)

Social insurance too. So I haven't got that hundred dollars--the Security said to give me--it's on that insurance, that hundred dollars a month. It's on that insurance. Hundred dollars a month they send me, I sign it, send it back to 'em.

(So you are just beginning to draw your Social Security?)

Yeah. I been drawing just (not clear). The first time I get it--this month. (not clear) come off first of this month. Thirty-one this month.

(Thirty one.

Uh-huh. Thirty one. Ever month.

(Well that will be good.)

I get paid (not clear) what I want to eat or something, I get that. I can pay that. (not clear) That's all. Something (not clear) I haven't-- She comes this month, you know--last Monday, bring me my check, you know. Up there, they said "old age" come in. I getting ready to get that too and I signed up and I sign up here and sent it in. And disabled--I didn't get that. Now I'm gonna get that. Might (not clear) this winter. They'd let me know.
