

Yeah, it might be something he was.

(The reason I ask, there's a part Choctaw girl teaches at Oklahoma State University whose name is Lock.)

Well.

(And I believe her home and her family live down around Caddo.)

Caddo?

(Some place down there. Did Pop ask you yesterday about Preacher Cob?)

Uh-huh. Lewis Cobb.

(Lewis Cobb.)

Uh-huh. Yeah, that's--Cobb he was a preacher, presiding elder. He was our pastor one time. But they changed him to another place. He look like a white man a little bit but he wasn't. He was just like him I guess, white man a little bit but he wasn't. He was just like him I guess.

(Pop; you look like a white man.)

Pop: I don't look like no white man.

That's the way they use to tease Walt Cobb. (Choctaw) --he's full-blood Indian and he use to have two neices with him. Sophia Cobb and Jane Loman.

(Sophia went by the name of Cobb?)

Uh-huh.

(Pop: I thought he adopted them.

I think he did.

(Pop: They live at home with him.

Yeah, he raised them.

(pop: They died--Sophia died didn't she?)
