

Bearpaw?)

Up here?

(Unhunh.)

I don't know. Its Indians all way round. Lets see. Jim Sanders lives out there and Tom Bussey way back yonder and Tom Bradford lives right there. And this boy lives first house out there. We just all Indians live here. That's all.

(Many of the young people still living around here? Younger ones, do they still live here in this area? They leaving this country? Young people, young Indians?)

No. I don't think so.

(Still got quite a few of them around?)

Yes.

(Young married couples?)

Yeah. That's all. All of them ain't got no little kids. That's how we got this one. The other ones out there. Jimmie's got four. They go to school up here. Just one. And he got four grown up. He working. I don't know where at right now.

(Remember any things you did around here as a little girl, when you were a little girl what did you do in way of spending the time? Games or anything? Did they do anything special back then?) (Do you know?)

RAISED CHICKENS AND A HOG WHEN 5 YEARS OLD

I was little girl - Lets see - When I was a little girl and I know I want to raise chickens. You know mamma he just been workin' round. He don't marry. He don't got no husband and she reaised herself, and had two kids and she lived by herself.
