

to holler, "Come on and stand top of my back! Run circle around seven times and stand up there. Hold each others' hands. I'll save you! I got you!" Oh, for seven times that girl was just screaming. And she just (say), "I'm going kill that girl first! She's the one that tell all you about me!" Now they stand up to that rock. And that bear girl think she just gonna grab them. She try to catch them and that stone rise up. Rise up. And he just fall right there. And all his fingernails (got) cut off. God a bear crook (?). Now he stand back. And those boys, they just laugh at him. Oh, she fell. She went way back and ran again and jump up there. That stone rising. She couldn't catch them. She just fell down. Two times. Third, four, five-- seven times. Can't get them. That Yellow Park National--you heard about that? That's the one. That's pretty near far to the east. And he couldn't knock it down. After a while he just fall down and they shoot him right there, that man. Kill him. Now. Now they don't know which way to get down. And somebody talk to them, "Come to me." And they--the seven stars--that's the ones. In the sky. I guess you heard about it. That's the ones, seven stars--that's the ones--

(How did they get up there in the sky?)

Uh-huh, in the sky. Seven stars, that's all. Boys and one girl. But there's seven boys.

(What happened to the girl?)

Well, I guess they got her. But they just call it "seven boys." That girl was with them. But they just call it seven stars. The white people know it. And that stone was set up there. He pretty near knocked that stone down. They went over there two years ago. We went to South Dakota. Yeah, and they went to see that stone. (Devil's Tower National Monument in northeastern Wyoming) But I didn't go. It was too hot. They went to see Paul's folks
