

No. Yeah, we got a home with everything. That time they don't have no cars. We got wagon and hack and buggies. Got horses and cows. Got a home. Our home is up there yet. Big home up there.

(Well, back in the old days, could a girl marry anybody she wanted to?)

Yeah. They does that. Sometime they give the girls to marry somebody, without their boy friend. Some of them do that way, but I don't. I don't like-- I don't like to be give away like that without--without boy friend. It's no good. I think it's no good. There's a--

(End of tape.)
