

One round and they go four rounds. See.

(And all sing different songs.)

Different song every time. See. So that's why I say there's somethin' in that. Somethin' in that about this medicine. 'Course the medicine in that-- all them songs there. They made them in there and they sing 'em there and use 'em in there. They decide somethin' in our experience--they still do that. They make new songs ever--we got a lot of new songs. Young boys now they sing. They make songs.

(These altars that they build and the way they build a fire and everything-- there's different groups do a little bit differently don't they, sometimes?

▽ Different ways of doing?)

All they say that thing--supposed to be soon shape--fireplace.

(Moon shaped?)

Yeah. Like this.

(Half moon?)

They said that mule--that when Christ was here, that mule--they said why he went that way. See. And that's what they put that thing this way. See. Made that track went that way.

(That's a mule--a donkey's track?)

Yeah. That's what they say.

(I hadn't heard that before.)

Yeah. That's what they use in there. That's why they put that track this way.

So He went that away but He's gonna come from this way.

(From the east?)

Yeah. He went that away but he is comin' back and he's goin' come from this way. And our idea about it this far--He put the Indian here on this world. He give 'em knowledge to--he just goin' to have a fire to get along. So naturally, he be give experience. He use the flint fire. My people you know, make a fire-- they use it--the old people use it so we--they still got it. And through them
