

Set down there and we'll go through with it. We goin' have Kiowa boys goin' come over there. They told me comin' and they give music.

(I want to thank Geroge and Mabel Harris and I might have forgotten to mention that they are Sac & Fox Indians--friends of mine, very dear friends. And this has been a real interesting account here, this medicine. The thing that impressed me is that I hear it called medicine, most of the time.
