

no-- "Spirit," I guess, is the same thing. Spirit world. There's another world somewhere, that's--

(On this dance, and going back to how they did it, was it sort of like a round dance, going around, same step?)

Yeah.

MORE ON GHOST DANCE

(--or how would it be different?)

Something like a round dance. But they don't walk like they do today. They dance fast.

(Oh, they do. Is it sort of like that double time when they do--?)

No, it's just like that regular round dance you know. The man-folks--like these war dancer, you see. Sometimes they dance fast. They don't take that slow step. But they got a man--that's 'ape'tah, they call him. That's the leader of that Ghost Dance.

(What do they call him?)

'a'pe'pah

(Now he was the leader of the one you saw?)

Yeah.

(And say his name once more.)

'a'pe'pah. He's the leader of that Ghost Dance. They got a lot of respect for him.

WHITE FOX, KIOWA PRIEST OR CEREMONIAL LEADER

(Is he still living?)

No, he's dead a long time. White Fox is his son. He was the leader not very long ago. But he died.

(Oh, he did.)

He's one of the leaders of these Ten Grandmothers. Before that, it was 'a'pe'pah.
