

Hebrew tribes had. This was my similarity. Well, we was talking about the similarity of the Hebrew and the Cherokee language cause they had some of the same Gods of Fertility, I remember Jezebelle brought in veil, and you could study some of these, I just have to review this--in my sentences of Jobe said the Gods of Fertility and so forth that we had on the line that there seems to some connection of the Keetoowahs and the type of ritual they had some of the old ancient Syrian and Ammonian things and Hebrew, Symetian things.

(And this is now the appearance of an organized gang?)

That I can't even tell you because it's they don't devulge the membership, but I know I've had several half-breeds, hidden to--well for example when some house would be mysteriously you know, somebody would snitch off on somebody. Then there would be a mysterious fire, and that's why there was sort of an awe of respect. in otherwords everybody was responsible for his own conduct, and I know I had the well, I've had two different sheriff's of Cherokee County tell me that, that you could get people ciming inaand filing on somebody but they would not consent to come testify. Because they were afraid they would be burnt out. I know Bill-- especially , he was a well-known ambitious sheriff. That's why I went down there first, he had to be the one that cleaned up on this Cockeyed Carlyle. In fact, they ambushed the place near -- Carter's place. Near Carter Landing. Add when the Carter's and there was three Carter brothers that came from Tennessee, settled in that Carter Valley, and homestead 200 acres each. And married Cherokee women and that gave them a right to be in Cherokee Country. And then it was rather, well water had a lot of springs in it, and two of them had prominent ordinance and wash and Enoch
