Index side B.

Recording time: 38 minutes

Informant:

John Armstrong, 8 year-old Cherokee, Pryor, Oklahama
March 14, 1968

Subject:

Indian wood craftsmanship. Making spinning wheels, furniture, clap-board shingles.
Tools of the era.
Building log houses
Marly stores in Indian Territory.
"White man hunts for gold supposed to be midden by prosperus Indians".
"Early-day farming.

Note:

Tape in recorder stuck after 38 minutes and interview was stopped. Tape would not rewind or go forward from Index side B, but did rewind when operated from Side A. It was checked later, and appears to be OK now.
