

I couldn't get it. But I got this through General Lee. General Lee (?) got it at the Smithsonian for me. They won't sell it to me, but they sold it to General Lee and General Lee bought it and brought it to me. He's a friend of mine. I'll get you one, he says. I guess you have a lot of them at the--
(There's one at the University, but they won't even let you check it out of the building--it's so valuable.)

Yes, I know. I did let mine go for a while, and that's how come it got torn up.
