

had a piece of paper reading right there said, this whale would choke on an apple. Yes, this whale would get choked up on an apple. How in the world did it swallow Jonah? Jonah was big as that boy.

It's impossible the way we think about it isn't it? But to God, all things are possible. You may think, oh, I can not be saved. That's your thinking. God has a different thought. You can be saved tonight. God is so merciful to us, God will make way for you.

If you are earnest and if you come for Jesus your Lord and Savior.

I don't care what kind of a man you may be, what's happened has happened.

And the Lord was there and for the second time, God said "Jonah arise, go to Ninevah, that great city and preach to them. Preach to them the miracle that I did. Jonah I told you once before. But you went in the wrong direction. You didn't think I would call you.

I knew right where you was Jonah. Jonah you did not realize that I am God." Why did he do that in the first place? Because after the experience that he had Jonah knew that he was being with God and that God was with him. (Cherokee) (Unintelligible) He went to Ninevah but he didn't tell the people (Cherokee) (not clear) Brother, he began to walk, a three day journey. That's how big they was. A three days journey. He just went and told the people the words of God, unless you repent--in a few days God's going to turn this city upside down. You people better be ready. (Cherokee) The people in this great wicked city. Their wickedness was bad but Jonah he said that God is upon you and they listen. They were not like American people today. Today the American people are lacking in God. Today the people of our country are saying and I tell you the theologians today are different. They say God is dead. (Cherokee) That's the
