

(not clear) But Clu has a daughter in Muskogee, Gloria is her name. Claremore Mound is that mound back of the Light place. And I know it's the one that Claremont (not clear)--you see that's where the Cherokees and Osages had a battle, there on Claremore Mound. That's out here at Chiquita. And I'll tell you who can tell you--well out by Sweetwater, this Claremore Mound is south of that. And the rest of us, the McClellans and Musgroves and Lights, we all--well, the Musgrove's lived on this side of Sweetwater, but the Hughes lived on this side. And then there was a Light that lived across the river, his name was (not clear). They called him (not clear)--I expect maybe did you know (name not clear)

GRANDMOTHER ESTABLISHES A HOME

As I said, when they moved down here my grandfather, his name was Connor, and he was very progressive. And when they moved, as I said, they came farther south than most of the Delawares. Then they came across the river and stopped at the foot of a hill. And he built a big log house there, that was a big room on this side. And it faced north; and there you go in that big hall and see that big room, and on either side, great big log rooms. Then there was a stairway from this hall, that went up. There were rooms, there was a great big room upstairs. Then on back there was another little room--off from the kitchen. It had a porch across the front.

ORCHARDS AND GARDENS

And the first thing he did, he put out fruit trees, and asparagus, and rhubarb. Fruit trees were apples, and peaches, and cherries.
