

been lacking in their history. One of the many things that has been assigned to us today, in the last few days we have accomplished, after searching the history of our Cherokee people, we found that we had no official flag, and this we did. It had not been officialized. And on April 6, 1968 at Bell School, Bell Community, this group adopted as official the flag that we have created and presented to you. And with the help of Miss Cherokee here, I'd like for you to look at this wonderful flag.
