

(Yeah. Who's that?)

That's Mildred when she's baby.

(Oh.)

And I have picture here--a group picture of our--used to be our Chief.

Chief Lookout (16). What was his name? Chief Fred Lookout (16). And his wife and children. The oldest son was Charles Lookout and the next son was Fred Lookout and the next child was Mary Lookout, on down to the little fellow named Henry Lookout. Then I have another picture here that is Mrs. Mary Harvey (17) and Susie Petsemoi and Minnie Harvey, Mrs. Harvey's daughter. That's a real old picture.

(What did they--where did those people live?)

I imagine they live at the Claremore Camp. That's all I can remember. And I have two little girl's picture here which are very old pictures. And this little girl is--a man they used to call his name Wahdofeka (?)--his English name was Joe Red Eagle. That's his little daughter (18). She lived at Fairfax a long time. I forgot what her name is--

(Where was this Joe Red Eagle. He was from Fair fax wasn't he?)

He was from here.

(Oh, from here huh?)

Um-huh. Then this picture--this other picture is Grace Roan (18).. She later--her name was Grace--what was her name? Anyway, I don't remember her other name. But that was Grace Roan's picture (18).

(And the other one was who--?)

Huh?

(Who was that one there?)

I don't--I forgot her name--

(She was Joe Red Eagle's daughter though?)
