

Well, that was your nearest trading center, wasn't it?)

Yes, it was. That's the only town there was and this little town of Vera,

(Yes. Who was Collinsville named after, did you ever hear?)

Well, I've heard but I've kinda lost track of it, you know. This old man Wright down here that run the printing office? I've seen--read it and seen it in the paper but I forgot...

(And Vera, now that's an old community now isn't it?)

But its rather a funny kind of a place; it never did grow much.

(Well)

Never did grow. Its just a little town yet. And it was something funny about that. At one time it just looked like it was going to get up and leave.

(Yes)

When that--when that paving come through there. But since it's went down to nothing.

(Well, there used to be several stores there.)

There's not but one grocery store.

(One grocery store left now.)

On the corner and it does everything. It handles everything.

(Yeah.)

And we got one and we got a little old post office up there and that was there way long time ago.

(Yes.)

And they not improving that much. Some stores, some families moved and that little town never did grow.

(Yes.)
