

And we had fourteen stores here.

(Well. Well now was old Ketchum on the river or close to the river?)

No, it was in a big canyon.

(Uh-huh)

And the water come right up into it. Old Ketchum. And runned out.

(Hum-m)

Do you recollect old Man Yode? He was down there and they had the schoolhouse there. And when they moved. Why they moved it up here. And a baptist Church bought it.

(Uh-huh)

And had church there for quite awhile. And they sold it, and built a rock church.

KO&G RAILROAD CAME THROUGH IN 1914 - WORKED WITH SURVEYORS

(Uh-huh. And then when did the railroad come through?)

It come through in '14.

(Uh-huh)

Started in '11.

(1911. Well that kind of boomed up things didn't it?)

Yep.

(Helped a whole lot.)

I worked on it. Started in, in '13. I worked up on it. And drove the finishing stop. From right here down to right this side of Strang.

(Uh-huh)

And (not clear). I worked (not clear).

(Uh-huh)

I helped to complete two miles of this track through here.

(Uh-huh)
