

a lot of information that way. Otherwise if you don't try to remember and try to put it in Chronological order, well, it's kinda hard, but you can just go along and remember things, we can get a lot of things that otherwise we wouldn't remember, like some events, you remember something so that brings on something else you know. So we'll go along we want to try to get everything we can about things and like--I like to find out a little more about how the Osages--why they were two different groups. The Little Osages and the Great Osages. I believe --isn't that what they call them?)

I don't know. I never did know that.

(It--It's quite interesting to find all these answers as we go along, we can put together all this information with other information we gather, we might find the answers to a lot of these things. So, just like I think-----)
