

and when they'd get through with her, they'd just dump her off. While she was--got caught in Canton--and these guys--little boys about thirteen and fourteen that molest... thrown in jail... I said, "I'll tell you what I'll do, Mr. Vance, "I'll just take her and load her in my car and I'll take her back to that nursing home and tell them that... money...over here at Canton some of these days."
