

(Did it go very far east of here?)

What?

(Did the Delaware country go very far east?)

Pretty well.

(Over towards Nowata.)

Nowata county over in there. Over on Alluwee, now that's part of Delaware country.

(The big Delaware country.)

Yeah, I even think that's where that Journeycake bunch was. Yeah, over in there.

(Sentence, not clear.)

Yeah, they bought in with the Cherokees.

(Bought into the Cherokees.)

They give them the same rights that they've got. They've got the same rights of the Cherokees.

(That's right.)

When they had the Cherokees payments well we got in on that.

(That's right.)

So that's how come.

(Well that's the way it's supposed to go.)

Delawares come in here.

(Some Shawnees, too.)

Yeah Shawnees, they come in for rights. See the Shawnees and Delawares have been pretty close together all this time.

(They have been.)

Between here and, I'd say, Vinita.

(Yes.)
