

(Well is all this`Shanee Hill country sandy like?)

It's all sandy. Uh-huh.

(Well I guess it's rich soil too.)

Yes. Most of the places it is. Now you take three or four miles west of here, maybe not that far. And from that on the other way, it's all lime.

(Huh?)

Lime. It's all lime.

(Well.)

It's black.

(End of interview with Elmer Parker. End of side B - Part I.)
