Dear Son I wrote to Chickasaw
you that your Sister Country October
Sister Rosoda was likely 7th 1834
to Die but she is some better but
not well yet. The other part of the
family is well. I wrote you on the
30th of Septth inform in you of a very
a thing there for I do not write you
but short letter as I wrote you before
our country is become very sickly
it is as bad as your Red River
Country -- your mother has declin
ed give to see you this fall but she
says she hopes you will come as
you promised and use all this
winter -- In two day from this
I shall start to the Great Council
in the Chickasaw Nation my object
is to Buy land it is supposed that
land will sell cheap as there is so much
land in market at this time +

and give my love to my old
friend and Brother Mr Wall and
tell him I wish him a good lock
as long as he lives in this world

Dear son I have you and
your family & hope god will Ble
=ss you and them -

As I wrote you in my last letter
that the little Leader was to be
tryed for his life for killing an
old woman for a buck - when I
hear from the I will write you

J.P.

As your mother sends her love
to all her sisters

My sister send you all the best
I am so glad I met him and

+ give my kind respects
to David and his Brothers and other
friends I do not think gall auer
see them & haves be come very
sickly for a bout four mothes back=

your mother and all
the girl give ^{there} love to Rlaoda and
all the children.
