March 9th 1876

Col Prentiss

Sir

To day Council adjourned

The Memorial was referred to the Chif
and passed both Houses & got unanimous
in the Senate. The Chif would not look
at the Memorial when presented to him.
A Durand picked it up and will send you
a copy by the Seal or so soon as he gets
home as his Seal is at home. The old Chif
is making big strides for reelection
will run strong from what I can learn
of him best Crowd I ever saw I shall
try and get away from him this fall. The Capitol
will be moved to Atlanta or will try
and move it a bill passed for such a move.

Respectfully &

L. M. Johnson
