"Where wast thou when I laid the foundations of the earth? declare, if thou knowest.
"Whereupon are the foundations thereof fastened? or who laid the corner stone thereof?
"Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb?
"When I made the cloud the garment thereof, and thick darkness a swaddling-band for it.
"Where is the way where light shineth? and as for darkness, where is the place thereof?"—Job xxxviii.
