In accordance with the instructions of the Board of Regents, at its meeting on November 5, 1921, the President of the University made the following report regarding the furnishing of books and other materials to the students in the University:

"I desire to report that the Chairman of the Board of Affairs informs me that it is the opinion of the Attorney General that the powers of the Board of Regents are sufficiently broad and definite to permit the furnishing of text books under the plan outlined below. I recommend, therefore, the adoption of the following:

"Each student will be required to pay at the time of enrollment a special library fee of fifty cents each semester, and twenty-five cents for the summer session, and to make an additional deposit sufficient to cover the cost of all books received by the student.

"The amount of the deposit required will be fixed by the President of the University, said amount being approximately 90% of the publishers list price for new books, and 70% of the publishers list price for used books. Drawing instruments and other class equipment may be furnished on a similar basis.

"In-so-far as funds permit, books that are to be continued in use in university classes may be returned if in good condition, and refunds of the deposit will be made on the basis of 50% of the publishers list price.

"Refunds for books and equipment returned will be made at the close of each semester when the student is not continuing in school the following semester or summer session, and at the close of the summer school, and at other times when the student is permanently withdrawing from school."
"The purpose is to provide students with text books and instruments at approximately net cost, with reasonable allowance for the expense of operation. The President of the University is hereby authorized to make such changes from time to time, in the amount of deposit required, as experience shows to be necessary for the accomplishment of this purpose."

It was voted to rescind the previous action of the Board establishing a minimum deposit of $3.00 for each student in the university, and to adopt the above report by the President of the University.

The President of the University reported the following resignations:

C. T. Walker, Community Organizer, September 1, 1921:
Fred Hood, Assistant in Pharmacy, November 1, 1921.

Ordered Filed.

The Committee composed of Chairman Muldrow and President Brooks, was instructed to confer with the Governor with reference to the possibility of securing a deficiency certificate covering the amount of expense incurred in connection with the Girls' Dormitory, and to report at the next meeting of the Board.

On motion adjourned.

EMII. R. KRAETTLI.
Secretary Board of Regents.
