A regular meeting of the Board of Regents of The University of Oklahoma was held in the Auditorium of the Health Sciences Library on the Oklahoma City Campus of The University of Oklahoma on Thursday, July 22, 1982, beginning at 9:15 a.m.

Notice of the time, date, and place of this meeting was submitted to the Secretary of State as required by Enrolled House Bill 1416 (1977 Oklahoma Legislature).

The following were present: Regent Charles E. Engleman, President of the Board, presiding; Regents Ronald H. White, M.D., Tom McCurdy, John M. Imel, and Thomas Elwood Kemp.

Absent: Regents Dan Little and Julian J. Rothbaum.

The following also were present: Dr. William S. Banowsky, President of the University, Provosts John R. Morris and Clayton Rich, Vice Presidents David A. Burr, Arthur J. Elbert, R. Gerald Turner, and Jack H. Stout, and Barbara H. James, Executive Secretary of the Board of Regents. Other executive officers present were Mr. Gary L. Smith, Mr. Larry C. Brawner, Mr. Walter O. Mason, and Mr. Stanley M. Ward.

The minutes of the regular meeting held on June 10, 1982 were approved as printed and distributed prior to the meeting on motion by Regent McCurdy and with the following affirmative vote: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

Immediately preceding the beginning of this meeting, President Banowsky had a press conference at which time he publicly announced his resignation from the Presidency of The University of Oklahoma. President Banowsky formally submitted his resignation from the Presidency of The University of Oklahoma to the Regents to be effective September 1, 1982. President Banowsky announced that he had accepted the position of President of the Los Angeles Area Chamber of Commerce.

Regent McCurdy moved the Board meet in executive session for the purpose of discussing personnel. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

The Regents recessed to the Provost's Office Conference Room for an executive session which continued until 10:55 a.m. The Regents reconvened in the Auditorium of the Health Sciences Library at that time.
Regent White moved that the Board accept with regret President Banowsky's resignation from The University of Oklahoma. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

Regent Imel moved that Dr. J. R. Morris be appointed Interim President of the University, effective September 1, 1982. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

Regent Imel moved that Dr. R. Gerald Turner be appointed Acting Provost of the Norman Campus, effective September 1, 1982. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

I. The University

RESOLUTION - DEE A. REPLOGLE, JR.

WHEREAS, Mr. Dee A. Replogle, Jr. served with dedication and devotion as a member of the Board of Regents of The University of Oklahoma from 1975 to 1982 and as President of the Board during 1981-82; and

WHEREAS, despite his numerous obligations and responsibilities as a member of a leading law firm in Oklahoma City he gave unstintingly of his time and ability to assist in the governance of his alma mater; and

WHEREAS, he put the welfare of the University before all other considerations, demonstrating particular concern for the future of the Health Sciences Center and providing invaluable counsel in budgetary and financial matters; and

WHEREAS, the academic excellence of the University was a continuing interest and a goal to which he ascribed the highest significance; and

WHEREAS, during his service on the Board of Regents the University made progress in several important areas including implementation of the Faculty Personnel Policy, strengthening of the College of Business Administration, establishment of the College of Geosciences, the expansion of the physical plant on both campuses of the University, and the creation and funding of the Energy Center;

NOW THEREFORE BE IT RESOLVED that the Regents of The University of Oklahoma thank Mr. Dee A. Replogle, Jr. and express appreciation to him for his many contributions to the University and the State of Oklahoma; and

BE IT FURTHER RESOLVED that the Regents hope and expect that Mr. Replogle's cordial support of his alma mater will continue with all the vigor that was manifest during his period of active service as a Regent.
Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

SICK LEAVE POLICY

The University's Employment Benefits Committee has for the past few months been looking at ways to better coordinate sick leave and salary continuation insurance and to develop more similar sick leave policies for hourly and monthly paid employees. At the present time, sick leave with pay accrues for all hourly employees who hold regular appointments at the rate of one day for each month of service to a maximum total of 130 work days. Members of the faculty, executive officers, administrative officers, managerial staff, and professional staff receive sick leave benefits based on length of service. Those who have completed five or more years of continuous full-time service are eligible for sick leave benefits with full salary up to a maximum of six months with an additional payment of $100 per month for an additional six months. Persons who have not completed five years of continuous service are eligible for sick leave benefits with full salary for a maximum of three months with an additional $100 per month for an additional three months.

The University Benefits Committee believes a change to give career hourly employees with five or more years of regular service sick leave benefits identical to monthly paid employees with the same service will be an improvement in the benefits. The Committee has proposed that the University Sick Leave Policy be amended as shown below. The underlined portions are additions to the policy. The lined through words will be omitted. Only the sections of the policy to be amended are included below.

Sick leave with pay accrues for service and operations staff and supervisory staff who hold regular appointments and have less than five years of service at the rate of one day for each month of service to a maximum total of 130 work days. Employees on the hourly payroll will receive sick leave credits. Accrued sick leave benefits will be credited on the basis of the number of hours paid; no credit will be given for weeks during which less than 20 hours is paid and no credit will be given for the time paid over 40 hours per week. The 40-hour work week will be the basis for the pro-rata computations. Employees working at least half-time but less than full-time will earn sick leave benefits on a pro-rata basis.

Full-time members of the faculty at the Oklahoma City Campus (Health Sciences Center) and full-time members of the faculty with rank of instructor or above on the Norman Campus and regular, full-time executive officers, administrative officers,
administrative staff, managerial staff, and professional staff as well as supervisory and service and operations staff with five or more years of service, are eligible for sick leave benefits. The sick leave benefits are based on length of service with the University in accordance with the schedule outlined below, but in any case will not exceed a total of one year (12 months) of sick leave with pay as calculated from the date of disability. Part-time faculty appointed for 50% FTE or more and other part-time employees on regular or trainee appointments for 50% FTE or more are eligible for benefits in proportion to their FTE.

President Banowsky recommended approval of the revisions shown above in the University Sick Leave Policy to be effective immediately.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

1982-83 FUNDING FOR UNIVERSITY CAPITAL IMPROVEMENTS

Information has been received indicating $7,250,000 will be allocated to the University for capital improvement projects during the 1982-83 year. Plans have been developed to use these funds for the following projects:

<table>
<thead>
<tr>
<th>Project</th>

</tbody>
</table>
While the Board of Regents has approved the majority of these projects in the past, the following actions are needed at this time.

**Bizzell Memorial Library Expansion Site Development:** As a consequence of the favorable bids that were received for work on this project, the budget needs to be adjusted downward by $258,000 from $1,308,000 to $1,050,000.

**Copeland Hall Addition:** Approval is needed to utilize $80,000 for professional fees and to proceed with the selection of architects for this project.

President Banowsky recommended that the Board of Regents approve (1) the utilization of $7,250,000 in 1982-83 capital improvements funds for the projects listed above, (2) the downward adjustment in the budget for the Bizzell Memorial Library Expansion Site Development project from $1,308,000 to $1,050,000 and (3) the plan to select architects to begin work on plans for the addition to Copeland Hall.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

Calvin Whittaker, title changed from Senior Auditor to Auditor, Internal Audit, Health Sciences Center, salary increased from $23,500 to $25,000 for 12 months, July 1, 1982. Professional Staff.

Byron Williams, Coordinator, Oklahoma Adolescent Health Care Project, Department of Pediatrics, salary increased from $28,000 to $30,800 for 12 months, July 1, 1982.

TERMINATIONS:

John Scott Bryan, Research Assistant III, Department of Biostatistics and Epidemiology, July 1, 1982.

FACULTY SENATE CHARTER REVISION

Section 2(e), Article VII, of the Health Sciences Center Faculty Senate Charter reads as follows:

Each college shall elect one or more alternates to serve in case of the absence or disability of a Senator. The number of alternates elected from each college shall be one-half of the number of senators to which that college is entitled rounded to the next highest whole number.

The Faculty Senate has determined that a provision for the length of the term and the method of election should be included in this paragraph. They have proposed the sentence: "They shall be elected by written ballot for a one-year term" be added at the end of this paragraph.

The proposed change has been approved by the Health Sciences Center Provost.

President Banowsky recommended approval of the suggested change in Section 2(e), Article VII, of the Health Sciences Center Faculty Senate Charter as explained above.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

COLLEGE OF MEDICINE PROFESSIONAL PRACTICE PLAN - GOVERNANCE DOCUMENT MODIFICATION

The College of Medicine Professional Practice Plan governance document currently provides under Part IV - Operational Procedures, Item 8, Governance of the Professional Practice Plan, part iii, Officers:
The officers of the Advisory Council shall be a Chairperson, a Vice Chairperson, and a Secretary, who shall be elected annually from the members of the Advisory Council by the full membership at the annual meeting. The Chairperson shall preside.

In order to provide for continuity and coordination when officers change each year, the following sentences have been proposed to be added after the final sentence of the above paragraph:

The Vice Chairperson is designated as the Chairperson elect. If necessary, the tenure of the Vice Chairperson will be extended one (1) year in order to complete the term of Chairperson.

The above proposed amendment has been approved by the entire membership of the Professional Practice Plan, the Executive and Advisory Committees, the Deans of the College of Medicine and the Tulsa Medical College and the Provost.

President Banowsky recommended the Policy for Governance of the Professional Practice Plan of the College of Medicine be amended as proposed.

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

COLLEGE OF MEDICINE PROFESSIONAL PRACTICE PLAN - FULL-TIME EQUIVALENT INCOME CHANGES

At the June 10 meeting the Board approved an increase in the upper levels of the FTE ceiling and administrative supplements for faculty in the College of Medicine by 10% for fiscal year 1982-83. Representatives of the Executive Committee of the Professional Practice Plan subsequently met with the Health Sciences Center Committee of the Regents, the Provost, and others to present additional information in support of the original request of the Executive Committee for a 20% increase.

It was agreed by the Health Sciences Center Committee, the Provost, and Dean of the College that the following action would be presented to the Board of Regents for approval:

The upper levels of the FTE Ceiling and administrative supplements will be increased in total for 1982-83 as follows:
Since the primary hesitation in increasing the FTE Ceiling by 20% was due to concern that the level of the Dean's Fund in Oklahoma City would decrease below the $800,000 that is currently generated and committed for fiscal year 1982-83, departments in the College of Medicine at Oklahoma City have agreed to guarantee the Dean's Fund will generate a minimum of $800,000 for 1982-83. If transfers to the Dean's Fund, based upon the established methods of assessment, fail to generate $800,000, an assessment will be made to departments within the College in an amount necessary to reach $800,000. The method of such assessment will be agreed upon by the Dean of the College at Oklahoma City and the Executive and Advisory Committees. It is to be clearly understood that the $800,000 does not represent a flat rate or total amount of the Dean's Fund, but represents a guaranteed minimum. The Tulsa Medical College Dean's Fund will require no guarantee or underwriting by the Tulsa Medical College faculty.

President Banowsky recommended the upper levels of the full-time equivalent income ceiling and administrative supplements for faculty in the College of Medicine be increased as shown above for fiscal year 1982-83 with the provision that the Oklahoma City Professional Practice Plan faculty underwrite the Dean's Fund at a minimum level of $800,000 for fiscal year 1982-83.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

COMPUTER PURCHASE - TULSA MEDICAL COLLEGE CLINICS

It is necessary at this time to upgrade and reconfigure the existing data processing hardware/software for two of the clinics at the Tulsa Medical College. Only one company, Myriad Computer, Oklahoma City, was able to respond with a proposal because it is mandatory that the specified equipment and vendor be used to facilitate matching of equipment, installation, and modification of existing software and conversion/reinstallation of existing components. Use of this vendor will result in a maximum economy and cost savings to the University. Myriad Computer proposes a cost of $64,510 for the computer system for the Roger C. Good Ambulatory Center and $51,990 for the computer system for the Tulsa Family Practice Marina Clinic.
President Banowsky recommended the award of a purchase order to Myriad Computer, Oklahoma City, for two computer systems for Tulsa Medical College Clinics at a total cost of $116,500.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

COMPUTER PURCHASE - SURGERY

The Department of Surgery currently uses a Hewlett-Packard microcomputer, printer, plotter and disc for its research applications. It is necessary to expand present capabilities. Compatibility of the new computer with the existing computer and peripheral equipment is essential. Therefore, a request was submitted to Hewlett-Packard Company to submit a quotation on the purchase of a Model 65 Computer System with one megabyte of memory, 65 megabyte disc drive, 400 lmp printer, two graphics terminals, and two data entry terminals. Hewlett-Packard has indicated they can provide this equipment at a cost of $83,039.44.

Funds are available in Budget Account A0000182 to cover this purchase.

President Banowsky recommended the award of a purchase order to Hewlett-Packard Company for the purchase of the Model 65 Computer System for the Department of Surgery at a total cost of $83,039.44.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

PROPOSAL, CONTRACT, AND GRANT REPORT

A summary of proposals for contracts and grants for the Oklahoma City Campus, including the Tulsa Medical College branch, for June, 1982 was included in the agenda for this meeting. A list of all contracts executed during the same period of time on proposals previously reported was also included.

President Banowsky recommended that the President of the University or the President's designees be authorized to execute contracts on the pending proposals as negotiations are completed. It is understood that contract budgets may differ from the proposed amounts depending on these negotiations.

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.
LEASE WITH OKLAHOMA HEALTH SCIENCES FACILITY, INC.

A continuation of the lease agreement with Oklahoma Health Sciences Facility, Inc. covering a number of different pieces of property on the Oklahoma City Campus with a total square footage of 58,820 has been proposed. The lease includes the following property:

- 615 and 615½ N.E. 14th
- 619 N.E. 14th
- 625 N.E. 14th
- 626 and 626½ N.E. 14th
- 633 N.E. 14th
- 636 and 636½ N.E. 14th
- 644 and 644½ N.E. 14th
- 645 N.E. 14th
- 740 N.E. 14th
- 616 and 616½ N.E. 15th
- 618 and 618½ N.E. 15th
- 624 N.E. 15th
- 626 and 626½ N.E. 15th
- 627 and 627½ N.E. 15th
- 632 and 632½ N.E. 15th
- 633 N.E. 15th
- 641 and 641½ N.E. 15th
- 808 N.E. 16th

These are the same pieces of property leased last year except that 619 N.E. 15th has been omitted and 740 N.E. 14th has been added to the list.

The cost per square foot is $2 per year for a total cost of $9,833.33 per month.

The lease also includes the Family Medicine Clinic North, building and equipment, located at 400 N.E. 50th Street at a cost of $4,163.50 per month.

All of the other terms of the lease are the same as last year's agreement. The term of the lease is July 1, 1982 through June 30, 1983.

President Banowsky recommended approval of the lease agreement between the Regents and Oklahoma Health Sciences Facility, Inc. as explained above.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

TULSA FAMILY MEDICINE CLINIC LEASE

A lease is proposed with Murphy Properties, Tulsa, covering the premises located at 9912 E. 21st Street South in Tulsa, which is used for
the Tulsa Medical College Family Medicine Center--Marina. The lease covers 9,000 square feet of space at a cost of $4,118.10 per month.

The term of the lease is for July 1, 1982 through June 30, 1983. The lease also provides the University two one-year options to renew the lease with all terms and provisions continuing except the rental rate would be increased to an amount not to exceed $4,539.52 per month for the period July 1, 1983 through June 30, 1984 and to an amount not to exceed $4,993.48 per month for the period July 1, 1984 through June 30, 1985.

Funds are available in Budget Account 35508320-183-2823 to cover this lease expenditure.

President Banowsky recommended approval of entering into a lease with Murphy Properties for a period of one year at a total cost of $49,417.20 and as fully explained above.

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

OKLAHOMA MEDICAL RESEARCH FOUNDATION LEASE

It is necessary for the University to enter into a lease agreement for 1982-83 with the Oklahoma Medical Research Foundation covering space in the Rogers Building used by the Department of Family Medicine. The value of the lease for one year is $39,850 for 6,038 net square feet (the entire fifth floor) or $6.60 per square foot. There is no real dollar cost in connection with this lease because in exchange for the use of the fifth floor of the Rogers Building, the Health Sciences Center is allowing Professor Fletcher Taylor, who is now full-time on the Oklahoma Medical Research Foundation staff, to continue to use 6,500 square feet in the College of Health Building. OMRF requires a written contract for federal cost purposes.

President Banowsky recommended approval of a lease agreement with Oklahoma Medical Research Foundation covering the fifth floor of the Rogers Building as explained above.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

STEAM AND CHILLED WATER PLANT EXPANSION - PHASE V, PART III, PROJECT 1

Bids were received on July 13 for furnishing and installing boiler stack economizers and a boiler blowdown which is a part of the most recent expansion of the Health Sciences Center Steam and Chilled Water Plant.
July 22, 1982

A tabulation of the bids is as follows:

RETIREMENT:

Bruce I. Granger, Professor of English, June 1, 1982; named Professor Emeritus of English.

President Banowsky recommended approval of the personnel actions listed above.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

SCHOOL OF ACCOUNTING

The Accounting faculty have proposed that the Division of Accounting be changed to a School of Accounting effective with the 1982 fall semester. A School of Accounting will continue to provide all of the courses, programs and other services the Division of Accounting is currently providing. The faculty of the School, however, will have responsibilities more near the responsibilities of faculty in other departments and schools within the University than has been the case in recent years. The administrative structure
proposed for the School will provide the environment that is required if accounting education is to be responsive to the current concerns and rapid changes that are occurring.

This proposal has been approved by the Dean and the Provost.

President Banowsky recommended approval of a change in the Division of Accounting to a School of Accounting effective with the beginning of the 1982 fall semester.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

RETIREMENT:

Ira M. Eyster, Project Director, Public Responsibility and Community Affairs, July 1, 1982.

President Banowsky recommended approval of the personnel actions listed above.

Regent Engleman announced that President Banowsky had recommended the addition of the following appointments to this list of Administrative and Professional Personnel Actions:

Jay T. Edwards, Executive Director of the Energy Center, President's Office, $70,000 for 12 months, August 1, 1982. Executive Officer.

Conley Weiss, Director of Auxiliary Services, $40,000 for 12 months, September 1, 1982. Administrative Officer.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

Regent White commented in making his motion that the appointment of General Edwards as Executive Director of the Energy Center sends a message to the Energy Center founders and other supporters of the Energy Center that the University is going ahead with this project with full vigor.

General Edwards, who was present at the meeting, was invited to make a statement. General Edwards said his appointment as Executive Director of the Energy Center is a high honor. He is excited about becoming a part of the University and a part of the new concept of joining together the interdisciplinary functions of an academic school with the research projects to bring a form of excellence to The University of Oklahoma that will lift all of the academic programs. "There is no greater need to get the economy moving forward
and to secure the free world than the supplying of abundant and reasonably priced energy forms. I think our Energy Center will concentrate on the strengths of Oklahoma in the fossil fuels and hydrocarbons to improve and enhance both the independent and the majors in their search for oil and gas. To be a part of this new concept is an exciting new venture, and I look forward with great anticipation to working with the Regents, the faculty, and administration of the University in bringing about the objectives of the Energy Center that we all have been so excited about in the last year."

UNIVERSITY OF OKLAHOMA STUDENT ASSOCIATION CONSTITUTION

Amendments shown below and on the following pages have been proposed for the UOSA Student Constitution. These amendments have been approved in the appropriate manner and are presented now for formal consideration by the Board of Regents.

Article III

President Banowsky recommended approval of the amendments to the UOSA Constitution with the amendments to be effective immediately.

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

FUNDS FOR PHYSICS AND ASTRONOMY

President Banowsky recommended the expenditure of $50,000 from the University of Oklahoma Associates Funds for support of the graduate program in the Department of Physics and Astronomy. This money will be utilized to increase the number of teaching and research assistants in the Department and to improve its instructional program.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

KGOU CAPITAL EXPENDITURES

At the February meeting (p. 16862) the Regents approved President Banowsky's recommendations:
1. That KGOU be converted to an educational station and a request be submitted for affiliation with National Public Radio.

2. That the commercial frequency of 106.3 be retained and the University apply to the FCC for a change of status to a noncommercial station.

3. That the one-time capital expenditure of $140,000 to $155,000 be approved and that $125,000 in new funds be budgeted for annual operations.

Additional review of the estimated one-time capital expenditures needed, including a refinement of the equipment required and more precise cost figures, has resulted in a revised figure of $211,000.

In addition, bids were recently circulated to furnish and install studio and broadcast equipment to replace some of the obsolete and worn out equipment in KGOU.

Two bids were received as follows:

- **Doug Brown Enterprises, Inc.**
  - Tulsa
  - Bidding all items as requested
  - $125,295.00

- **Audio Associates, Inc.**
  - Oklahoma City
  - Bidding partial requirements specified
  - Added cost to meet specifications: $2,079.00
  - Adjusted total cost: $126,082.00

The bids were reviewed and evaluated by the KGOU General Manager and the low responsive bid by Doug Brown Enterprises, Inc. is acceptable. However, due to other pressing equipment needs which also must be met within the total $211,000, 23 items had to be deleted, 9 items reduced in quantity and 4 items added. The adjusted total bid by Doug Brown Enterprises, Inc. is $84,775.00.

President Banowsky recommended that the Board of Regents (1) approve an increase in the one-time capital expenditures for KGOU from $155,000 to $211,000, (2) authorize the allocation of $211,000 of Section 13/New College funds for these capital expenditures, and (3) approve the award of a purchase order in the amount of $84,775.00 to Doug Brown Enterprises, Inc. to furnish and install studio broadcast equipment in Station KGOU per revised specifications, subject to the availability of funds.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.
PURCHASE OF WORD PROCESSING EQUIPMENT

Proposal Services has requested additional equipment for their NBI Word Processing System. A bid was circulated to Norstran Information Systems. The NBI distributor, Norstran Information Systems, was the only source selected, because the NBI was the only system reviewed which could meet the scientific notation printing capability required in the preparation of research proposals.

Norstran Information Systems, Oklahoma City, bid $39,631.00 for this equipment.

This purchase will be financed through competitive bids from third party leasing firms who specialize in state and municipal tax-exempt financing. The cost of the purchase will be charged to Proposal Services, account 127-446.

President Banowsky recommended that the Board of Regents approve the award of a purchase order in the amount of $39,631.00 to Norstran Information Systems for the NBI Word Processing Equipment with the financing plan to be determined by means of competitive bids.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

PURCHASE OF CARPET

Bids were circulated for 7,800 square yards of carpet to be installed in public areas of Couch Tower South. Installation will be done by Physical Plant personnel.

Payment will be from Physical Plant Account 147-201.

The Barrett Carpet offered by Delta Flooring and Interiors, Inc. is not acceptable because the pattern creates a "streaked" or "blurred" effect in large areas. This effect is distracting and unacceptable to Physical Plant and the Postal Service occupants of Couch South.

The next low bid received from Rose Home Furnishings for Legion 18 carpet as specified is acceptable and considered reasonable.
President Banowsky recommended that the Board of Regents approve the award of a purchase order in the amount of $35,197.50 to Rose Home Furnishings for the purchase of 7,800 square yards of carpet for Couch Tower South.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

PURCHASE OF SAFETY RELATED EQUIPMENT FOR HOUSING TOWERS

Bids were recently circulated for the purchase of 36 line items of fire and safety related equipment for installation by the Physical Plant in the housing towers. The cost of the purchase will be charged to the housing maintenance account and will total approximately $75,000.00.

The bids were opened on July 20, 1982 and are currently under evaluation by the Physical Plant and Purchasing Department. In order to preclude a six week delay in award of the safety items, the purchase order(s) should be issued as soon as the evaluation is complete.

President Banowsky recommended that the Board of Regents authorize the President of the University to award a purchase order to the low responsible bidder(s) for the safety related items.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

FURNITURE FOR CARSON ENGINEERING CENTER RENOVATION

Bids were circulated to furnish and install several furniture items in Carson Engineering Center.

Section 13/New College Funds which have been approved for the partial renovation of Carson Engineering Center are available for this purchase.

The following bids were received:

1. E & I Cooperative, Inc.
   Dallas
   Bidding Steelcase $36,896.44

2. Goldsmith's Inc.
   Oklahoma City
   Bidding General Fireproofing $38,083.70
3. John Hudson Co., Inc.
   Oklahoma City
   Bidding General Fireproofing $41,120.00

4. Scott Rice Company
   Oklahoma City
   Bidding Steelcase $44,217.60

   Oklahoma City
   Bidding Harter $47,543.34

6. Fenton's Office Supply
   Stillwater
   Bidding Steelcase $47,903.40

The low bid from E & I Cooperative meets all specifications and is acceptable to Architectural and Engineering Services.

President Banowsky recommended that the Board of Regents approve the award of a purchase order in the amount of $36,896.44 to E & I Cooperative, Inc. to furnish and install furniture in the Carson Engineering Center.

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

PURCHASE OF DISPLAY TERMINALS AND PRINTERS

Bids were recently circulated for a minimum of 139 display terminals and 14 printers for use with the new IBM 3081 Computer System. The bid provides for purchase of the equipment in one lot with staggered deliveries as it is required to be placed into operation throughout the next year. The bid also provides for straight purchase, straight rental, and lease purchase alternatives.

The cost of the purchase will be charged to Computing Services, account 147-110.

Bids were received as indicated in the following bid matrix:

Each of the terminals (items one and two) have 12 optional features. In order to simplify the matrix, only the base bids are shown. The bids on the features are consistent with the base bid pricing in that the lower bids on the base bid were also lower on the optional features. However, not all bidders bid on all features so that a mix of awards is necessary in order to obtain the required features in those cases where needed.

The low base bid for the item one display terminals is Telex. Telex did not bid on seven of the 12 optional features.

The following analysis is based upon a combination of low bid and available features and the bid awards indicated will meet the University's requirements at the lowest possible cost:
Both Telex and IBM plans will allow for retroactive price reductions on the above items over the period of the lease. It is the University's intention to purchase the equipment when maximum equity has been reached (about 30 months). The University also has the flexibility to cancel the lease after each year.

President Banowsky recommended that the Board of Regents approve the award of annual purchase orders to Telex in the amount of $49,680.00 and to IBM in the amount of $161,195.76 for the lease purchase of the computer terminals and printers listed above.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

SUMMER INSTITUTE OF LINGUISTICS AGREEMENT

The University of Oklahoma has been contracting with the Summer Institute of Linguistics for a number of years for the use of space during the summer to conduct a language instruction program. Students enrolled in this quality program receive regular academic credit and pay the standard fees. The University reimburses the Institute for the cost of instruction.

according to a schedule which amounts to slightly less than the revolving fund income generated by student fees. A new agreement has been proposed for the summer of 1982.

The 1982 proposed contract reflects a 17.6% increase in housing rates charged the Institute, the general rate of increase for 1982 housing costs. Other changes are limited to changes in dates to coincide with the 1982 session of the Institute.

President Banowsky recommended approval of entering into an agreement with the Summer Institute of Linguistics for the summer of 1982 as outlined above.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

MAINTENANCE AGREEMENT FOR THE BUILDING AUTOMATION SYSTEM

Single bid negotiations with Johnson Controls, Inc. have been completed for a programmed maintenance agreement for the University JC-80/155 Building Automation System. The agreement will include all scheduled maintenance visits, labor, material and record keeping for all CRT's, Central Processing Unit (CPU), Field Processing Unit (FPU), printers and control points in 42 buildings for the period July 1, 1982 through June 30, 1983. This agreement reflects the addition of 12 new buildings into the system during the past year.

The cost of this maintenance will be charged to Physical Plant Utility account 147-202.

The bid has been reviewed and evaluated by the Director of Physical Plant and is acceptable to him.

A previous bid had been circulated to R&B Equipment Company and Honeywell, Inc. in addition to Johnson Controls, Inc. Only Johnson Controls responded. There appears to be no interest by competitors in maintaining Johnson Controls equipment. Additionally, much of the equipment and instruments in the expanded system are still under warranty, including the new JC-80/155 Computer. This agreement will avoid the possibility of a split maintenance responsibility which at best would involve conflicting interests and be extremely difficult to manage.

President Banowsky recommended that the Board of Regents approve the award of a purchase order to Johnson Controls, Inc. in the amount of $65,808.00 for a programmed maintenance agreement for the University JC-80/155 Building Automation System for the period July 1, 1982 through June 30, 1983.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.
PROPOSAL, CONTRACT, AND GRANT REPORT

A summary of proposals for contracts and grants for the Norman Campus for June, 1982 was included in the agenda for this meeting. A list of all contracts executed during the same period of time on proposals previously reported was also included.

President Banowsky recommended that the President of the University or the President's designees be authorized to execute contracts on the pending proposals as negotiations are completed. It is understood that contract budgets may differ from the proposed amounts depending on these negotiations.

Regent White moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

ENERGY CENTER BUILDING

Following the special meeting of the Board on May 27, the Benham Group, Inc., architects and engineers for the Energy Center Building, undertook additional schematic design studies of the project. The studies included a complete review of the exterior design of the building in an effort to develop a new design that would achieve a greater degree of harmony with the existing buildings on the campus.

The new designs were presented to the Board of Regents at the Committee meeting yesterday and discussed in some detail. Vice President Elbert commented on the new designs again and stated the recommendation is to approve the schematic designs.

Regent White commented that the Regents are pleased with the new design and he moved approval of the schematic design. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

BIOLOGICAL STATION STORM DAMAGE

On May 28, 1982, very high winds and high water conditions caused a considerable amount of damage to the boathouses and research facilities at the Lake Texoma Biological Station. The extent of the damage, totalling $90,100, involves the replacement of a boathouse, a research laboratory, and several boats and motors, as well as the repair of the old boathouse, roadway, parking lot, jetty, and roof of the research building.
The University has requested emergency funds for these repairs from the State Regents' office. Should this funding be approved, the Board of Regents is requested to authorize President Banowsky to advertise this work for bid and to award a bid. This authorization will allow the repair and replacement work to begin prior to the September Board of Regents' meeting.

President Banowsky recommended that the Board of Regents authorize the President to advertise for bids and award a bid to the lowest bidder if funds become available for the repair and replacement work at the Lake Texoma Biological Station.

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

DEMOLITION CONTRACTS

The buildings and houses located in the area of the new Energy Center site were sold at auction to be moved and/or demolished by August 15, 1982. The terms of the auction provide that the University will initiate demolition of any buildings or houses not cleared from the site by August 15, 1982.

Bids cannot be requested until after August 1, at which time the scope of work required can be better determined. Because of the limited time schedule available to accomplish the site clearing, the demolition contracts should be awarded no later than August 20, 1982, which precedes the September meeting of the Board of Regents.

President Banowsky recommended that the Board of Regents authorize the President of the University to award demolition contract(s) for clearing of the Energy Center site to the lowest responsive bidder(s).

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

VARSITY TENNIS COURTS

Bids were recently circulated for the construction of two additional tennis courts on the east side of the existing six-court varsity complex. The estimated cost is $55,000 and will be funded by private funds out of the Athletic Department.

Bids were mailed on July 12 and will be opened on July 26. A delay in an award until the September Regents' meeting would severely restrict the varsity fall tennis program. Therefore, an immediate award is required.
Bids were sent to:

Jennite Service Company
Oklahoma City

Ted Cobb, Inc.
Tulsa

Sport Court of Tulsa
Tulsa

Davidson Tennis Court Construction
Edmond

Ritchie Tennis and Tract
Tulsa

Nova Construction Company
Oklahoma City

Hunter Boyd Construction, Inc.
Tulsa

President Banowsky recommended that the Board of Regents authorize the President of the University to approve the award of a purchase order to the low qualified bidder upon receipt of the bids.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

APPOINTMENT OF ARCHITECT - ENGINEERING LIBRARY RENOVATION AND AS ON-CALL ARCHITECTURAL CONSULTANTS

Interviews were conducted on July 16 to consider the qualifications of five architectural firms that had indicated an interest in providing the professional design services required for the Engineering Library Renovation project and to serve as On-Call Architectural Consultant. These interviews and the preliminary review process were conducted in accordance with the provisions of the State law and policies of the Board of Regents. The following qualifications of each firm were considered:

1. Professional reputation
2. Experience with this type of project
3. Available professional staff
4. Scope of services offered
5. Amount of work in progress
6. Other University projects completed
7. Financial standing and stability
8. Size of firm
9. Location of firm

The members of the interview committee were:

Siddiq Karim, Staff Architect, Architectural and Engineering Services
Jerry Osterhaus, Energy Conservation Coordinator, Physical Plant
Jean Poland, Engineering Librarian
Gene Walker, Associate Dean, College of Engineering
Leon Yanda, Associate Director, Architectural and Engineering Services
The interview group obtained information from the consultants, the files of the State Board of Public Affairs, and other sources. Basic information and a summary of the preliminary review of the qualifications of the architectural firms was distributed to the Regents as follows:

The following votes were cast on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

Regent Imel stated that Turnbull and Mills, Inc. are significantly better qualified by reason of the rating system used by the interview group. He said there is a 1% difference in the fee but this difference amounts to less than $3,000 on this size project. Based upon the results of the interviews, Regent Imel moved that Turnbull and Mills, Inc. be appointed architects for the Engineering Library renovation and as on-call architectural consultants at a fee of 8% for the Library Renovation and at a fee of $75 per hour for principals and $52 per hour for architects while serving as on-call architectural consultants. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

PARRINGTON OVAL RECONSTRUCTION

Hellmuth, Obata and Kassabaum are preparing final plans for the reconstruction of the Parrington Oval. This project involves the removal of the existing driveway and the installation of the following items of work: (1) new sidewalks and pedestrian ways, (2) new campus lighting, (3) trees, (4) plant materials, (5) storm drains, (6) sprinkler systems, (7) earth berms and other landscape features. The estimated cost of this
work is approximately $500,000. When the final plans and bid documents are completed the project will be advertised for bids.

President Banowsky recommended that the Board of Regents approve the plans for reconstruction of the North Oval prepared by Hellmuth, Obata, and Kassabaum and authorize the advertising of this project for bids.

Attention was called to the fact that this project was discussed at the Committee Meeting yesterday. There was some concern among the members of the Board about taking an action on this item since Vice President Elbert had indicated he would be bringing revised plans back to the Board in September. Following further discussion during which Vice President Elbert indicated there would be no problem if action was deferred on this item, Regent McCurdy moved action on the matter be tabled. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel and Kemp. The Chair declared the motion unanimously approved.

FRED JONES, JR. ART CENTER ELEVATOR

Bids were received on July 16, 1982, for installation of a hydraulic passenger elevator in an existing elevator shaft in the Fred Jones Art Center. The only bid of $53,824 was submitted by Esco Elevators, Incorporated. A bid from Esco Elevators, Incorporated of $3,000 for Alternate #1, which extends the service maintenance period for the elevator to three years, was also submitted. The total project budget is $100,000, with $65,000 coming from private funds, and $35,000 from Section 13/New College funds.

Other project costs include construction of doorways and fire-proofing of the equipment room and elevator shaft. This work will be constructed by Physical Plant prior to installation of the elevator.

President Banowsky recommended that the Board of Regents accept: (1) the low bid received from Esco Elevators, Incorporated of $53,824 for installation of an elevator in the Fred Jones Art Center and (2) a bid of $3,000 for Alternate #1 to extend the maintenance warranty period to three years for a total contract price of $56,824.

Regent Imel moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

STADIUM SCOREBOARD MODIFICATIONS

In 1975 the Regents accepted a proposal of American Sign and Indicator Corporation to construct and install a scoreboard in Oklahoma Memorial Stadium at no cost to the University contingent on the University allowing American Sign to sell or lease exclusive advertising rights on the scoreboard for a
period not to exceed 10 years. Revenues from advertisers were to be used to cover the cost of the scoreboards, including maintenance, for the 10-year period. The University reserved the right to approve all advertisers and advertisement copy, categorically excluded beer, liquor and cigarette companies, and required that advertisers be national or regional companies.

Phillips Petroleum Company and Continental Federal Savings and Loan Association were the advertisers approved for the first 10-year period. Phillips Petroleum Company was subsequently given an extension of their advertisement period through 1990.

Continental has now requested that another advertiser be obtained for their space. In connection with this change, American Sign and Indicator Corporation has proposed the following:

1. That a suitable replacement advertiser be obtained under the same terms and conditions as the original advertisers for a period 1982 through 1995.

2. The south scoreboard be modified by adding a message center on the south side of the board.

3. The scoreboard computer hardware be upgraded.

4. Maintenance for the stadium scoreboard system be provided through 1995.

President Banowsky recommended that American Sign and Indicator Corporation be authorized to pursue this project and to contact suitable advertisers to secure advertising commitments to finance the project as explained above with completion prior to the first home football game.

Regent McCurdy moved approval of the recommendation. The following voted yes on the motion: Regents Engleman, White, McCurdy, Imel, and Kemp. The Chair declared the motion unanimously approved.

REPORT ON MAJOR CAPITAL IMPROVEMENT PROJECTS

As shown on the following pages, a report was presented to the Regents on major capital improvement projects now under construction and in various stages of planning on the Norman Campus. No action was required.

There being no further business, the meeting adjourned at 11:35 a.m.
