Homecoming!

The day when the old grads return to the scene of their undergraduate days, to meet old friends and talk over famous games that have made history on the Oklahoma gridiron—and to see the latest edition of the Sooner gridiron team in its greatest game of the season!

When the handclasps have been exchanged, when the crowd assembles in the two wings of the mammoth stadium, when the colorful pep squads have thrilled the assembled thousands, when the teams line up for the kickoff and a hush falls over the stands—that's homecoming!

Don't miss it. Write, wire or phone Ben G. Owen for reservations NOW!
