TODAY’S seniors, alumni tomorrow, will apply the high test of qualification to candidates for public office. Those elected officials who will direct and control the upbuilding of Oklahoma’s educational system the next four years must have passed the scrutiny of the former students of our state schools.

WE are satisfied to submit the candidacy of Frank Buttram, for the Democratic nomination for governor, subject to the primary election July 29, to alumni of Oklahoma’s educational institutions. We are confident that he, the finished product of the schools of his native state, meets the exacting requirements of those who have the best interests of those institutions at heart.

BUTTRAM for Governor Club
