Spend a Warm Winter With An Oklahoma Sooner Blanket

The blanket is 66 by 84 inches and 100 percent pure virgin wool — smooth, soft, resilient — yet weighs only three pounds. It is in Oklahoma Red with covered wagon in black and white border trim. You’ll want to use it in the car, at home, in the den and a hundred other places that you wish to brighten up. Nothing could be better suited for the “boys” room.

As a member of the University of Oklahoma Association, all you have to do is clip and send in the order blank found on this page. Send with all information complete and your check or money order and the blanket will be sent immediately, postpaid. If you desire, your blanket may be personalized with your name and class year for a slight additional fee. Send your check or money order to:
