Being your own boss has many advantages—but to score a success, you’ll have to answer “yes” to some challenging questions: Can you budget your time efficiently? Can you set a goal and pursue it with diligence and persistence?

If these questions sound like “you,” New England Mutual offers a chance to be on your own—to move up the income ladder just as high and as fast as your ambition and abilities can take you.

We finance your learning period, and give you the advantage of a comprehensive training program. You’ll be working with a company that founded mutual life insurance in America—today one of the fastest-growing companies in its field (resources more than doubled during the past ten years).

This is a real opportunity to form a satisfying association with a company that has attracted men from most of the important colleges of the country. Mail the coupon for the booklet in which 15 such men tell why they chose a life insurance career, with . . .
