Arc you in a job where promotions or raises are governed by the "seniority system" instead of by merit?

If you feel your income is not growing as fast as it should, New England Mutual offers you a business of your own, and a chance to earn an income that has neither a speed limit nor a top limit.

We finance your learning period and guide you to success, with a most comprehensive training program. You’ll be working with college-trained men from schools in every part of the country. You’ll make a career of helping families and businesses solve important financial problems.

If you are a "self-starter," can make plans and follow through with them, New England Mutual offers you a career with freedom and independence—one in which you move ahead just as fast as your ambition and ability can take you.
