Standing with her head in the clouds, and her feet firmly planted on the ground, the Pioneer Woman typifies the hardy spirit of the pioneers who tamed the wild plains and formed the young state of Oklahoma. Young Oklahomans see in the Pioneer Woman a symbol of their own idealism and courage, as they prepare for the future with practical plans as well as high ideals and courage.

Helping young Oklahomans on their way to success, with practical plans for the future, Bankers Security Life Insurance Company has grown with Oklahoma for over a quarter of a century.
