A survey of electric power rates shows the rates in OG&E-served areas to be lower than in 15 of the nation’s largest industrial cities. That means if industry is looking for cheap power, it will find it in Oklahoma and from a public utility which has proved its ability to serve adequately and dependably.

In Oklahoma, it’s the BILTMORE by far the largest & finest hotel in Oklahoma. Oklahoma Biltmore, Oklahoma's modern tower of comfort in the heart of downtown Oklahoma City. This perfect example of fine hotel operation is truly Oklahoma City's favorite host. Home of Station KOMA.

Make reservations early to avoid disappointment.
