The Oklahoma Memorial Union is pleased to present this set of beautiful Wedgwood China Dinner Plates decorated with four individual scenes of the campus. Etched in soft crimson, the off-white, patrician shape, 10-inch plates, which are made in Staffordshire, England, have scenes of the Administration Building (Evans Hall), the Oklahoma Memorial Union, The Memorial Stadium Owen Field, and Bizzell Memorial Library. A brief historical note of the scene appears on the reverse side of each plate.

This set provides a permanent memento of the University of Oklahoma and a most handsome gift for Christmas, weddings, birthdays and other anniversaries.

A set of four plates is only $11.50 (includes handling and sales tax).
