would you believe...

half the population... never saw these?

Another few years and these once-indispensable housekeeping aids will be "Genuine Antiques"!

OKLAHOMA AND ELECTRIC COMPANY

Today's young homemakers count on dependable electric service and wonderfully efficient electrical appliances to help them do a better, faster and cleaner job of housekeeping... and at bargain prices. That's because the average family pays less per kilowatt-hour for electric service today than it did ten years ago!

Aren't you glad you're with it, electrically, today?
