Greetings To Sooner Alumni

Norman Chamber of Commerce Expresses Hope That Reorganized Alumni Association Will Be Given Wholehearted Support of Every Oklahoma Grad

The membership of the Norman Chamber of Commerce welcomes this opportunity to extend a cordial greeting to the Alumni and former students of the University. We hope to see every one of you in Norman on Homecoming Day.

Former students in past years have been powerful factors in helping O. U. overcome the many obstacles, political and otherwise, which have beset its path. They have never failed it in any crisis.

Now that the University of Oklahoma Association has been reorganized on a sound financial basis, we hope that every Oklahoma alumnus and former student will give the association the loyal support to which it is entitled.

There is no limit to the power and influence which the alumni group, if well organized, can wield. We wish the present officers complete success in their efforts to build up a strong, statewide organization.

Let’s All Pull Together for a Greater University of Oklahoma
